

R. Scott Cunningham

I have lived on the island for 50 years and have been a builder on LBI for over 35 years. I was a lifeguard in the township and have been an avid sailor all of my life. I have served on the Land Use Board in Beach Haven.

My wife and I own and operate, Sandy Banks, in BH for the past 26 years.

I love this island. It is a part of me. I am running to stop the overdevelopment of Beach Haven and to gain control of the spiraling debt.

Vote R. Scott Cunningham this November. I am honest and I care.
